

DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled: NONAQUEOUS ELECTROLYTE SECONDARY BATTERY

Case No	o. <u>P00,1409</u>	, the specification of which	ch .	
	(check	is attached hereto. was filed on Application Serial No. and was amended on (if applicable)	as	
the claim	I hereby state that I have notes as amended by any ame	reviewed and understand the ndment referred to above.	ne contents of the above identified specification, inc	luding

		– ion is material to patentability when	it is not cumulative to information already of record or being made	
of record is	n the application, and		the feet ages of uppergraphility of a claim; of	

n the application, and

(1) It establishes, by itself or in combination with other information, a prima facie case of unpatentability of a claim; or

(2) It refutes, or is inconsistent with, a position the applicant takes in:

(i) Opposing an argument of unpatentability relied on by the Office, or

(ii) Asserting an argument of patentability.

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the note of envidence, burden of compels randard, giving each term in the claim its begulest reasonable construction consistent with the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

If no priority is claimed, I have identified all foreign patent applications filed prior to this application: Prior Foreign Application(s)
